## OFFICER WOUNDED IN S. F. BANK ROBBERY

### 'ROUND 'N' 'ROUND

What with its garbage war, paying graft probe, ousting of officials for visiting bootleggers, Oakland isn't having much time these days to attend to the general routine of city government.

That rumbling you heard yesterday afternoon coming from the southeast, was not the Alameda county grand jury in session, but the real thing—thunder.

Our pet peeve is the author, or authorship, who describes a scene by saying, "It reminded me of that famous quotation by Emerson, which everybody knows and repeats." The truth of the matter is that no one remembers the quotation, not even the author.

And another pet peeve is the author who employs foreign terms that a layman does not understand to show his alleged superiority. The words look nice, but they don't mean a thing.

Probably the two most repeated phrases are attributed to Mark Twain, who said that the report of his death was "exaggerated" and that a lot is said about the weather but no one seems to do anything about it.

The last remark can be applied to the present weather we are experiencing. A lot is said about it—and nothing very complimentary.

The only person who seems to enjoy this rain is certain sporting editor who had been worrying all week how he was going to "cover" three athletic contests that were scheduled yesterday. But his luck was good, the gods smiled upon him, and rain, hail and what have you fell, causing the games to be postponed.

Ever notice that on rainy days a majority of the motoring public uses less caution than they generally use on clear, dry days?

When the painter sees the office door that he put so much labor and fresh paint upon, he's going to commit hari kari or give himself up. He put about a gallon and a half of fresh brown paint upon the portal. So far the office force has carried home two gallons of the aforesaid paint on hands and clothing.

If it wasn't so pathetic, it would be funny. Tim, a police dog sentenced to die because of his killing instincts, has caused quite a furor in some sections of the press. Even state officials have been spending quite a bit of time in considering a pardon for the dog. But it was bound to happen—a theater has offered the dog a contract to appear before the sensation-loving public.

The days when everyone will have television are going to be hard on public officials. Up in Portland they suspended a policeman because his home was not kept in an "orderly fashion." It appears that when an inspector called to visit the patrolman there was blood on the kitchen floor, there by the officer after his wife had hit him with a can of cherries. It was recommended to the officer that he find some method to keep "peace" in his home.

### Rev. Bennett At Religious Meeting

Rev. Primus Bennett of the First Christian church returned from Oakland last night, where he has attended the Religious Education convention of Christian churches. The convention was held in the Oakland First Christian church, and was attended by ministers from Christian churches all over northern California.

Dr. Roy G. Ross, national religious Educational leader, and his assistant, Dr. Virgil Sly also attended the meetings.

### BIRTH RECORDED

The birth of Margaret E. Foulk on March 5, to the wife of J. L. Faulk of Pinole was recorded with the Richmond City Health department.

### PACT TO BE IN EFFECT 6 YEARS

LONDON, Mar. 14—(U.P.)—American and Japanese naval delegates reached an agreement on comparative naval strength for the next six years while the remainder of the five-power conference remained deadlocked today.

The agreement, not final until approved by Tokyo, was revealed by American sources. It provides virtually that Japan will have 60 per cent of American strength in battleships, 70 per cent in 8-inch gun cruisers, and nearly parity in submarines.

By 1936, under the arrangement, Japan will have 108,000 tons of 8-inch cruisers afloat, or a ratio of more than 70 per cent, while the United States will be building three 10,000 ton cruisers of that type.

#### Ratio To Drop

As soon as the three American vessels laid down in 1933, 1934 and 1935 are completed, the Japanese ratio will drop, but by that time another naval conference will have been called.

It was reported that in the negotiations extending over a fortnight, the United States delegates declined to concede the Japanese demand for the right to replace new 7,000 ton 8-inch gun cruisers. They also refused to recede from their objection to fixing a maximum tonnage on 6-inch gun cruisers, although at the start of the conference Britain supported Japan in demanding such a rule.

#### Pact Made

According to the new arrangement, Japan, by agreeing not to replace submarines as they become obsolete, will have 52,400 tons of such craft afloat in 1936, while the United States will replace sufficient overseas vessels to have 60,000 tons.

The reported agreement became known after Aristide Briand, the negotiator, had tried unsuccessfully. (Continued on Page 8)

### 3 NEW HOMES WILL BE BUILT

Three new homes are to be added to the ever growing list in the east Richmond district next week. Building permits are to be obtained either today or Monday by Peppin and Johnson, contractors for the structures.

### Tinning Studies School Problem

MARTINEZ, Mar. 14—The question as to whether or not school children can be utilized in entertainment for profit other than for the school system, is to be determined by District Attorney A. B. Tinning as the result of action last night of the Martinez school trustees in deciding to ask a formal opinion of the district attorney.

The decision was made after a delegation of grammar school Parent-Teacher associations appeared before the board to learn its attitude on the subject.

Their appearance followed a recent statement by R. L. Boyer, trustee of the board, that he opposed children appearing in entertainment for profit other than for school purposes. He amplified this statement by declaring last night it was not permissible under the law. He was supported by A. F. Bray, another trustee.

### Theft Suspect Tries Suicide

LOS ANGELES, March 14—UP—Leaving a note which told of previous convictions, Jack G. Lackshon, 25, Burbank, slashed his throat and wrists today in the jail cell where he was held on a jewel robbery theft charge. He may die. Lackshon told of youthful misfortune, claiming previous convictions while not guilty.

### Dies In Fall From Window

MRS. PEARL DEMARET, stenographer to Secretary of State Stimson at the London Naval conference, was killed when she fell from the sixth story window of a London hotel.

### PARENTS OF PRODIGIES SUE TEACHER

OAKLAND, Mar. 14—(U.P.)—Claiming that they misunderstood the nature of the document they were signing, the parents of Giorgio and Ruggiero Ricci, young Italian children who, although only 7 and 9 years old respectively, have started the world of music by their talent, today instituted proceedings to nullify guardianship rights granted to Miss Mary E. Lackey, Berkeley violin teacher. The parents charged that Miss Lackey employed fraud and deceit to gain guardianship of the two violin prodigies. They said that they simply were signing a document insuring the musical education of the two boys.

### PRODUCTION OF OIL NEAR QUOTA

LOS ANGELES, March 14—UP—The oil production of the entire state of California is within 3.2 per cent of the allowable production set by the state-wide oil conservation committee March 1. It was revealed at a meeting of the committee today.

This committee set the production as of March 10, at 644,464 barrels daily, the allowable production for the period having been set at 608,995.

Most of the fields in the state are well within their allowable quota, except Santa Fe Springs and Long Beach fields, where difficulties have arisen, the committee's fact finding group declared.

Both of these fields, however, are running about 14,000 barrels over their allowable quotas, it was said.

### Lester Eatons Have New Daughter

State Traffic Officer and Mrs. Lester Eaton are the proud parents of a daughter born at the Cottage hospital this week.

The newborn was named Betty June. Both mother and daughter are reported to be doing nicely.

Eaton patrols a beat on the state highway between Richmond and Pinole. He was formerly a traffic officer on the Richmond police force.

### Leonard Williams Dies In Martinez

MARTINEZ, March 14—Leonard Williams, 18, of Oakland, and a former Richmond resident, died at the hospital here today. He is the son of Mr. and Mrs. A. O. Williams and was brought to the hospital here yesterday for treatment.

Funeral services will be held in Oakland.

### TAX REFUND ATTACKED BY SOLON

WASHINGTON, March 14—UP—\$33,500,000 tax refund to the United States Steel corporation brought from House Democratic Leader Garner today the charge that Secretary of Treasury Mellon is frittering away the people's money on unnecessarily large refunds for his personal gain.

Announcement that the joint congressional internal revenue committee has approved the refund, involving taxes for the post-war years 1918, 1919, and 1920, brought Garner's attack, one of the most bitter made on the much-attacked secretary, in a floor speech. Such large cases should be settled by the courts, he said.

Garner said the amount of the steel corporation's rebate was determined by its executives and Mellon "sitting at a table trading on your money and my money and the money of the United States Steel corporation stockholders." In the case of a previous refund to the Pittsburgh Plate Glass company, Garner added, it was "Secretary Mellon making a compromise with President Mellon."

"I believe if you will look into it, you will find that favoritism has been shown," Garner told the House. In order to show favoritism to his own company, he established a policy of showing favoritism to similar companies doing business throughout the country. Nevertheless, Garner said, Pennsylvania corporations received the lion's share of refunded taxes. He demanded congressional investigation of the treasury department's tax refunding policy, or settlement of the validity of the policy by taking to court one of the large cases such as the steel corporation case.

Garner also criticized the manner in which the joint congressional committee decided not to protest the treasury's settlement with the steel corporation. Chairman Hawley, he said, was the only Republican present and was forced to make the motion himself and vote five Republican proxies to carry it.

### Last Day For Income Returns

Local residents were warned yesterday that today is the last day for filing income tax returns, and they must have their statements in the office of the deputy internal revenue collector or in the mails, by today.

With Joseph Dugan of San Francisco and Ralph A. Wood of Richmond in charge, the local office at Tenth street and Macdonald avenue will be open until five o'clock this afternoon. The office is located in the real estate offices of W. J. Richards, Jr.

### L. Martinovich To Leave Today

Louis Martinovich, former part owner of the Key Lunch Room, will leave this morning for New York where he will spend several months visiting friends.

At the end of his visit there, Martinovich will leave for Europe where he will visit relatives and friends in Sicily, where he formerly lived.

### Publicity Agent Married In South

SANTA ANA, March 14—UP—Lincoln Quarberg, former United Press manager in Los Angeles, and Miss He'en Harris were married here today. The bride is the daughter of Dr. T. H. Harris of Chicago. Quarberg has been publicity director for Caddo Films for the last four years. The couple will live in Hollywood.

## 1 KILLED, 4 WOUNDED BY FLEEING BANDITS

### PAIR OUTWITS POSSE OF OFFICERS

EADS, Colo., Mar. 14—(U.P.)—Carl Hickman, a deputy sheriff of Kiowa county, was killed late today in a gun battle two miles east of Eads, with three bank robbers. W. H. Mosher, an employee in the court here, was wounded in the leg during the fight.

Hickman and Mosher had attempted to arrest the three bandits, who earlier in the day robbed the State Bank of Manter, Kan., of \$4,000 and drove their car northward into Colorado in a mad dash for safety.

Near Eads, Colo., Hickman and Mosher attempted to capture them. Hickman fell dead before the rain of bullets from the bandit car and Mosher was wounded in the leg.

#### New Attempt Fails

Turning northeast from Eads, the bandits drove through Cheyenne Wells, where another unsuccessful attempt to capture them was made on the outskirts of the town.

William C. Coe, sheriff of Cheyenne county, and George Hollingshead, town marshal of Cheyenne Wells, were wounded in the encounter.

The bandits drove on through Cheyenne Wells toward the Kansas line after the battle here. Hickman and Mosher received word by telephone that the bandits were headed toward Eads and (Continued on Page 8)

### GRAFT PROBE NEARS FINISH

OAKLAND, March 14—The final phases of the eastbay graft investigation will be opened Monday when a long list of witnesses will be summoned. District Attorney Earl Warren and Ralph Hoyt, chief deputy, today completed preparations for bringing before the grand jury the last chapter of the history of graft, fixing and official corruption uncovered during the last two months.

The two officials started to work on preparing 17 indictments, and one "accusation." These will be ready for presentation to the jury next week.

It was indicated that the jury will probably wait until Wednesday before taking action. The indictments are said to name other persons involved in the patent paving scandal.

It was reported that the "accusation" will charge City Commissioner E. K. Sturgis with "willful misconduct in office." So far, 13 indictments have been returned by the grand jury investigating the alleged graft, and one accusation was returned against Sheriff Burton F. Becker who pleaded guilty to one of the charges and was ousted from office.

Tuesday two city officials and a former patent paving contractor will be arraigned before Superior Judge Fred C. Wood on charges of bribery and conspiracy. They are Commissioner William H. Parker, streets department; Ray J. Lamberson, his executive secretary and John J. Garbutt, paving contractor.

### Sheriff Gets Movie Machine

MARTINEZ, March 14—Installation of a "Vis-a-film" device was started by sheriff's officers today, following arrival of the machine from the manufacturers. The apparatus projects a life-size photograph with weekly releases of film containing the pictures of criminals collected from many cities of the state. It is intended that there will be a weekly gathering of sheriff's officers, traffic patrolmen and constables from throughout the country for study of picture releases as they are made.

### A New One

NEW DEVICE which will permit airplanes in flight to pick up or deposit objects without landing was demonstrated to government officials by its inventor, Dr. L. S. Adams at Hoover Field, Washington.

### LONG STUDY TO BE MADE OF PLANET

FLAGSTAFF, Ariz., Mar. 14—(U.P.)—Since it will take the newly found planet, the ninth in the solar system, approximately 280 years to revolve around the earth, new developments are looked for by Dr. V. M. Slipher, director of the Lowell observatory, until after years of study, he said today.

The announcement Thursday of the discovery came on the 75th birthday anniversary of Dr. Percival Lowell, the founder of the observatory here, who died in 1916. The discovery is hailed as the greatest stride in astronomy since 1846 when Neptune, the most distant of the solar bodies known to man until the recent find, was located by two European scientists.

Carl O. Lampland, member of the Lowell staff since 1903, took a prominent part in locating the new body. He has given special attention to the photography of detail of the planets.

After the new body was first located by C. W. Tombaugh, an observatory photographer on January 20, he viewed the planet "many times," but not until recently was he positive of its existence.

Prof. Lampland said the new body is probably 40 times as far distant from the earth as is the sun, although first calculations have not yet been checked.

The size of the planet is estimated to be larger than Neptune, but in all probability is smaller than Uranus, one of the largest of the solar system.

Years ago Lowell calculated that a planet existed beyond Neptune, and although he spent many years of his life seeking the discovery, it remained for those who were working in his observatory to prove his theory.

Scientists here declare the entire credit for the discovery should go to the specially designed equipment installed several years ago.

### Elfvig Rites Set For Tuesday

Funeral services for Mrs. Marie Matilda Elfvig, 71, who died at the home of her sister, Mrs. G. Lagerberg, 550 Nineteenth street yesterday, will be held from the Wilson and Kratzer funeral parlors Tuesday afternoon at 1:30.

Mrs. Elfvig has only been in Richmond the last few weeks, coming here from Los Angeles, where she lived for 22 years. She was a native of Finland.

### Oregon University Given Art Grant

Eugene, Ore., Mar. 14—(U.P.)—The University of Oregon has been awarded a corporation grant from the Carnegie Institute which will make the art school here the Pacific coast training center for art teachers of western colleges, it was announced today.

### DUO ESCAPES IN AUTO CHASE

SAN FRANCISCO, Mar. 14—(U.P.)—An emergency operation was performed here late tonight as surgeons tried to save the life of Corp. Eugene Egan, who was wounded in a gun battle with two bank bandits this afternoon.

Shortly before it was determined by detectives that Egan, member of the department for 23 years, had wounded one of the robbers after the bullet went into his own breast below the heart.

SAN FRANCISCO, March 14—UP—Egan's stolen automobile around slippery corners in a rain storm, two bandits who had shot and possibly fatally wounded a police officer while stealing more than \$3000 from a branch of the Bank of Italy, shook off pursuers here late today.

The men not only risked their own lives by skidding but endangered a number of pedestrians as they recklessly shot through busy streets to evade arrest for the robbery and shooting of Corporal Eugene Egan.

The bandits appeared panicky as they fled and several times the machine, a public service car stolen an hour before the robbery, most turned over.

The men were about 30 years old. They entered the bank shortly before the closing hour, ordering the manager, T. Arthur Pinkel, four of his clerks and five customers to march into a back room with their hands raised.

A clerk walked back he kicked the burglar alarm and it started ringing.

Officer Egan, off duty and riding on a passing street car, jumped (Continued on Page 5)

### LIGHTNING HITS POWER LINES

An electrical disturbance storm in the vicinity of Richmond yesterday, deprived the city of its electrical power for some minutes.

Damage, according to George N. Rooker, Pacific Gas and Electric company, was small.

The automatic switches at the substation in Richmond were thrown, as lines were burned down at San Pablo avenue and Broadway at Kearney and Seventh street.

Rooker also said that several transformer fuses were burnt out. The lightning struck some place northeast of Richmond but the exact location was not ascertained.

A terrific hail storm which followed the electrical disturbance caused slight damage to trees and shrubs in the vicinity.

On upper Macdonald avenue, hail completely covered the streets and was evident on tops of automobiles for some minutes.

### YESTERDAY IN CONGRESS

SENATE: Lobby committee continued the questioning of Chairman Huston of the Republican National committee. Tariff debate continued.

Committee appointed to consider resolution authorizing investigation of the resignation of Lieut. Alford Williams from navy.

HOUSE: Democratic leader Garner, charged Secretary Mellon with frittering away tax payers' money, following large tax refund to U. S. Steel corporation.

Drys continued testimony in prohibition hearing before judiciary committee.

Banking committee continued investigation of branch and chain banking.

CHAIRMAN—Are more people buying automobiles as a result of Prohibition?

## M. W. A. CAMP VISITED BY COUNCILMEN

Richmond Camp, Modern Woodmen of America was visited last night by G. E. Spencer and G. Thompson of Berkeley camp. Spencer is athletic manager of the East Bay council of Woodmen, and Thompson is assistant.

Both men gave interesting talks on athletics among the various camps, and stressed the importance of keeping in good physical condition.

F. L. Carroll was appointed manager of athletics after the talks, and is planning to originate teams for every branch of activities.

Foremost among these will be the formation of a baseball team. The local camp had a team last year which played with unusual success.

The team when formed this year will play independently during the summer, and then enter one of the Oakland Winter leagues.

It was announced last night that the East Bay Council of Woodmen would meet in Richmond April 14.

The local members have already started preparations to make the meeting one of the biggest and best of its kind ever held.

## O. E. S. GROUP HONORED AT MEETING HERE

Mrs. Mildred Hammond and Mrs. Bernice McCormick were hostesses recently at a luncheon in the Cathleen Coffee shop in honor of members of the Eastbay Secretary's association of the Eastern Star.

After the luncheon the members went to the McCormick home on Bissell avenue where they enjoyed a social afternoon.

Among the guests were Mrs. Vernice Cushing, Mrs. Henrietta McGregar, Mrs. Anita Hollenbeck, Mrs. Mabel Greenlow, Mrs. Nellie Hieronymous, Josephine Anderson, Mrs. S. C. Frank, Mrs. Violet Betts, Mrs. Helen Smith, Mrs. E. George, Mrs. George Jones, Mrs. Anna Word and Mrs. Ethel Ressegule.

## ACANTHA GROUP PLANS BROTHERS' NIGHT IN APRIL

Brother's night which was scheduled for last night's meeting of Acantha chapter, Order of Eastern Star will be held some time in April, according to an announcement at the meeting.

Mrs. Laura Kelly, worthy matron and Ed Kelly, worthy patron, presided over the business session last night, which was followed by an impromptu social.

The banquet rooms were prettily decorated in green in honor of St. Patrick and a delicious banquet was served under the direction of Mrs. M. Broberg.

A program of entertainment was also presented, beginning with two vocal solos, "My Message" and "Grey Days" by Mrs. Helen McIntosh. Humorous impersonations by Con Eastin, followed, and a monologue by Mrs. Zella Chapin concluded the entertainment.

## Geraldine Ripley Paid Honor At Kitchen Shower

Miss Geraldine Ripley, who is to wed Rowland Jenkins, was honored at a kitchen shower held by the choir of the Wesley Methodist church recently at the home of Mr. and Mrs. Howard Johnson, 137 Seventh street.

The bride-elect received a large amount of kitchen ware.

Among the guests were Miss Geraldine Ripley, Miss Ruby Williams, Miss Ethel Vestal, Miss Pearl Hathaway, Miss Janet Stegman, Miss Anna Bengston, Miss Mildred Cuthbertson, Miss Grace Muir, David Shoemaker, Frank Lohrer, Mr. and Mrs. Jack Lems, Mr. and Mrs. A. H. Argetsinger, Mr. and Mrs. W. C. Richards, Mr. and Mrs. V. J. Thompson, Mr. and Mrs. Howard Johnson, Rev. and Mrs. C. G. Lindemann, Mrs. Ethel William, Mrs. E. Bengson, Mrs. A. O. Bennett, Mrs. Mary Rihm, Mrs. Bessie Stribley, Mrs. Vera Dice, Mrs. Mona Hoskings, and Mrs. Alfred Blomquist.

## Henry Pennings Honored At Parties Here

Mr. and Mrs. Henry Pennings who were married recently, were honored at a number of parties.

Mrs. Pennings was formerly Dorothy Mickey.

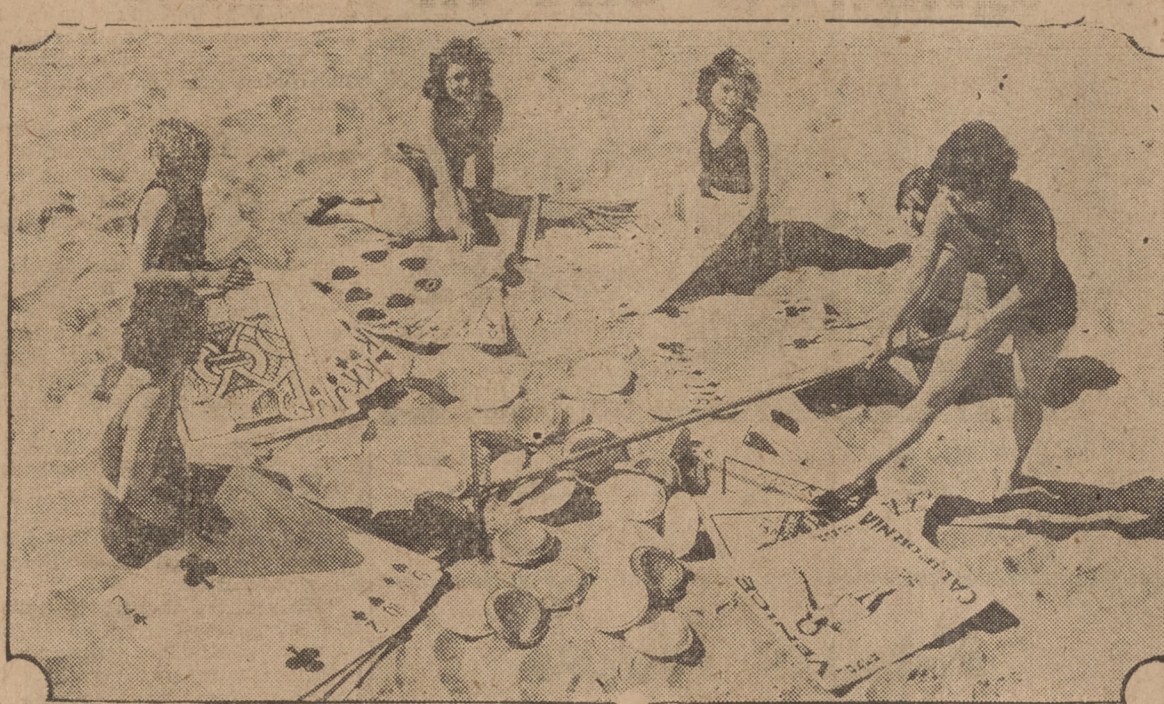

Mr. and Mrs. Ben Malik entertained in honor of the young couple. The guests at the affair were Mr. and Mrs. G. W. Penning, Mrs. Helen Penning, Dr. and Mrs. J. J. Feldman, Dr. and Mrs. L. E. Fraser and Mr. and Mrs. M. H. Salisbury.

Mr. and Mrs. G. W. Penning, parents of the bridegroom, entertained at a bridge dinner in their home on Dimm avenue. Among the guests were Mr. and Mrs. Penning, Charles Penning of Berkeley, Miss Eleanor Jones, Miss D. Harbath, William Floyd, W. W. Carriack, Miss Mary Nougier, E. Montromen and Miss Helen Penning.

## Clutch Grab May Cause Broken Axle

A quick starting or grabbing clutch on your car may cause a twisted or broken rear axle or stripped differential gear, according to the California State Automobile association.

## Raking In The Winnings

BIGGEST CARD GAME in California is being played at Venice. Maybe it's the biggest card game in the world for that matter. It's the latest novelty to pass the time on the beaches in the south. They use pie plates for chips and a rake to gather in the winnings.

## C. C. TEMPLE LAYS PLANS FOR SOCIAL

At last night's meeting of Costa Temple of Pythian Sisters, many future events were planned by the group. The meeting was held in the Brotherhood hall, and during the meeting, applications for membership were voted upon.

Next Friday night, a "Tacky Shanty Irish" social will be held, open to members and their friends. At this time, games will be played and entertainment provided. The evening will be in observance of St. Patrick's Day.

The committee in charge of the evening is composed of Mrs. Lucile Deathe, chairman; Mrs. Josephine Lamble, Mrs. Anna Boyer, and Mrs. Ruth Kliek.

The Saturday following, a food sale will be held in the morning for the benefit of the Pythian Home, and the sewing club will meet at night at the home of Mrs. Henrietta Bly, 200 Golden Gate avenue. The evening will be spent socially with refreshments and games.

The committee in charge of this evening is composed of Mrs. Myrtle Carlisle, chairman; Mrs. Juanita DeBarrows, Mrs. Ruth Kliek, Mrs. Anna Boyer and Mrs. Moeetta Pitzer.

Mrs. Mabel Edington of Oakland, district deputy grand chief, will be entertained at the lodge on March 28, with a special program on banquets.

The committee in charge of this evening is composed of Mrs. Anna Boyer, chairman; Mrs. Juanita DeBarrows, Mrs. Florence Tosh, Mrs. Frances Michel, Mrs. Ruth Kliek and Mrs. Mary Carro.

## CIRCLE NO. 2 BAPTIST AID ENJOYS SOCIAL

Mrs. Lena Sowell entertained members of Circle No. 2 of the First Baptist Ladies' Aid society yesterday afternoon at her home.

Mrs. R. F. Craven was in charge of the business meeting, which was followed by a social afternoon. Games were played and refreshments were served by the hostess.

The next meeting of the group will be held April 14 at the home of Mrs. W. H. Phillips on Fifteenth street.

Following the meeting, Mrs. Iris Craven gave a reading on the book survey. Her talk was on "New Americans."

## Paramount Child Star

MITZI GREEN, only child ever placed under contract by Paramount Famous Lasky corporation, who will make her debut in "Paramount on Parade."

## Odd Fellows Prepare For Big '49 Camp

Final arrangements for participation in the 49 Camp, to be held in the Odd Fellow hall Thursday, Friday and Saturday, were made at a meeting of C. C. Encampment of Odd Fellows last night, which was followed by a banquet. The banquet was prepared by L. W. Skow, G. T. Stanley and F. Rhoads.

Many members of the encampment are intending to attend the district meeting in Crockett April 5.

W. E. Wilkins and his bride, the former Edith Stanfill, arrived this week from Oklahoma City, Okla., where they have been residing since their marriage last fall. They are guests at the home of Wilkins' mother, Mrs. John Weimer, 1426 Twenty-fourth street.

Wilkins is planning to make his home here.

## Booster Club Enjoys Party

Mrs. Edith Overman, 2539 Rheem avenue, was hostess at a party, held under the auspices of the Booster club of the T. F. B. recently.

During the evening the group enjoyed dancing to tunes played by Mrs. Overman, accordionist, Charles Overman, violinist, and C. Rothrock, harpist.

Refreshments were served.

## OLD GRADS JOIN STUDENTS IN FROLIC

BERKELEY —(U.P.)— Paradoxically, the aging are growing keener to catch the hits in alma mater's siren soprano.

This is the conclusion reached by Robert Sibley, executive manager of the Alumni Ass'n of the University of California. Sibley has just completed a survey to analyze the attitudes of grads—old and young. The answer seems to be that with the young grads the voice is drowned by the clamor of broad-winged; that as he grows older and finds a hammock beside the treadmill he pauses, reflects and tunes in again.

In figures as round as the waist lines of A. B. (97), it comes to this:

From the ages of 25 to 29, they are pretty chilly about campus doings; at 40 and past they are enthusiastic.

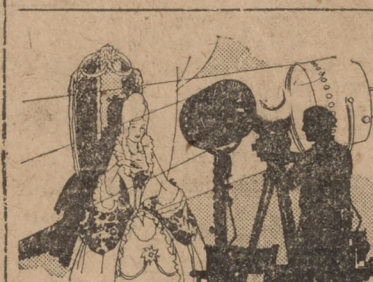

Case after case have been in the hard-boiled ranks of the younger men, when a hollow laugh is the answer to news from school. This, Sibley believes, is largely a leaning backward from the coarseness of the freshly graduated. He has had his baptism of fire. Far from instigating the genuflections of the universe with one wave of the sheepskin, he has likely as not been told by some former chief clerk or junior partner, that he's not a deleted, censored, unprintable bit better than anyone else. No, by Rockefeller, not as good!

Then comes the mellowness produced chemically by the helium that arises from a plump bank book. Undistracted, then, by the need for dollar-chasing, he reverts to his first love—alma mater. Hence, the annual spectacle of old grads returning to the scenes of early crimes, and as happy as their livers will let them be, standing around beaming at the antics of their youngsters.

Sibley said that more than 71 per cent of living graduates retain an active interest in the association, which has a membership of 24,000.

## RAIN HALTS GAME

PASO ROBLES, March 14.—UP A heavy downpour of rain prevented the yannigan regular game in the Pittsburgh Pirate training camp today and made a workout impossible.

## On The Screen

—under the glare of powerful lights and the stress of "Picture Making" the beauty rendered by Gouraud's Oriental Cream stands the test. It gives an alluring, peerless appearance that will not rub off, streak or spot.

No "touching up" necessary as the skin retains the delightfully soft, seductive beauty under all conditions.

## AUXILIARY TO DEWEY CAMP PLANS SOCIAL

Despite the inclement weather, a large crowd attended the meeting of Admiral Dewey Auxiliary to Spanish American War veterans in the Memorial hall last night.

In the absence of Mrs. Cora Rogers, president, Mrs. Luch Lee, senior vice president presided.

Mrs. Bessie Paulsen was installed assistant conductress to fill the vacancy created by the resignation of Mrs. Elizabeth Cramer.

Following the meeting a banquet was served under the direction of Mrs. Lucille Kister, Mrs. Dorcas Davis, Mrs. Pearl Johnson and Mrs. Ida Long.

At the next meeting, a surprise entertainment will be provided by the young people of the group.

The committee is composed of Miss Mary Jette, Miss Vera Ne, Mrs. Mary Kister, Mrs. Alberta MacCormac and Miss Anetta Wilson.

The young people have not announced their plans but are keeping even the banquet a secret. Friends of the younger set will be invited to attend the party.

## EAGLES GROUP ENTERTAINED AT NATAL FETE

The second anniversary of the Point Richmond Auxiliary to Eagles was celebrated with a birthday party in the Woodmen hall last night.

During the meeting, which was presided over by the president, Mrs. Regina Smith, five new members were initiated.

The banquet tables were decorated in white and pink with a birthday party in the center.

The party was under the direction of Mrs. Louise DeBoll, Mrs. N. Adellini and Mrs. C. Mellani.

## CARQUINEZ AERIALS

## K. P. LODGE AT DISTRICT MEET HELD IN PINOLE

Several members of Richmond lodge Knights of Pythias met at the Brotherhood hall last night, and journeyed to Pinole where they attended the district meeting of Knights of Pythias lodges.

Harold Alt, special district deputy grand chancellor presided at the meeting, due to the absence of D. S. Delaney, district deputy.

Following the meeting, entertainment was presented and refreshments served.

The next district meeting will also be held at Pinole on April 18. At this time Harry W. Falk of Eureka, grand vice chancellor will pay his official visit to Pinole lodge.

## Social Evening Enjoyed By Guard Auxiliary

A social evening was held by members of the American Guard Auxiliary after their meeting in the Memorial hall last night.

A delightful program was presented and a delicious banquet was served.

On Mar. 28, the group will hold a St. Patrick's day party, and is intending to extend an invitation to the Richmond American Guard.

## HIGH C. E. ENTERTAINED WITH SOCIAL

A most delightful time was held by members of the high school intermediate Christian Endeavor society of the First Christian church, at its monthly social evening at the church parlors last night.

There were 21 boys and girls present, all in costume, who played jolly games during the evening. A delightful program was also presented.

A delicious repast was served at the conclusion of the festivities. The tables were gorgeously decorated in the St. Patrick day motif.

The committee in charge of the party was composed of Arthur Wilson, chairman; Eva Hansen, June Watson and Jack Hosmer.

Miss Mabel Beach is sponsor of the group.

## H. J. Scott Paid Honor At Surprise Party

H. J. Scott, superintendent of the First Presbyterian Sunday school, was honored at a surprise birthday party held in his honor recently by a group of boys and girls from the department.

Games were enjoyed during the evening and a birthday cake, cooked by one of the mothers of the two boys, was cut.

## SCOTCH ACCENT REVIVED IN PICTURE

Ernest Torrence has taken his Scotch accent out of the moribund dusted it thoroughly, and is using talking picture, "Untamed" which will come tomorrow to the Fox-California theater.

The gigantic Ernest was brought to this country originally to play a very Scotch Scotchman in musical comedy. For years he aired his natural Highland tongue in scores of stage productions.

During the last decade, however, he has been in silent pictures and there has been no need for the peculiar intonation of those who come from Glasgow, Edinburgh, or points north.

"Untamed," however, gave him his first Scotch role in talkies—and the "burr" which had almost disappeared from the Torrence diction has returned miraculously overnight.

Besides Torrence and the star, Joan Crawford, the cast of "Untamed" includes Holmes Herbert, John Miljan, Grace Cunard, Don Terry, Guy D'Arcy, Lee, Eddie Nugent and Tom O'Brien.

A Fox Talking News and talking comedy are also on the bill.

## Demurrer Filed In Indictment Of Newspaperman

LOS ANGELES, Mar. 14.—(U.P.)—A demurrer to an indictment charging Morris Levine, newspaperman, and Leontine Johnson, former private secretary, with plotting a \$300,000 extortion was filed by attorneys for the two today.

Argument on the demurrer was to have been heard today, but absence of Levine's attorney caused postponement until Tuesday.

Levine was arrested in the office of Charles Crawford, politician, in possession of \$75,000 in marked currency, Layline and Miss Johnson were indicted on the charge that they threatened to make revelations concerning the collapse of the Julian Oil corporation. Miss Johnson was private secretary to the president, S. C. Lewis, when the company failed.

## Paris View To Remain Intact

PARIS.—Premier Andre Tardieu has promised Parliamentary action to prevent the erection of factories and buildings which would obstruct the marvelous panorama from the famous terrace at St. Germain en Laye, which is so popular with American tourists.

## 10 Day Sentence For Petty Theft

W. J. Harris, 39, who told police he had no home, was sentenced to serve 10 days in the county jail on a charge of petty larceny, when he appeared before Police Judge C. A. Odell yesterday.

Harris was first charged with vagrancy, but a compact valued at \$2.50 which was reported stolen from a local drug store was found in his possession according to police reports. At first Harris denied stealing the compact, but later admitted the theft.

## Mrs. S. Schwerin Final Rites Today

Final respect will be paid to the memory of Mrs. Sim Schwerin, mother of Mrs. Marie Lee Kelly of Richmond, at funeral services from the Wilson and Kratzer parlors at 3 o'clock this afternoon.

Mrs. Jeanett Headsett will read the Christian Science service and interment will be in Sunset View cemetery.

## Edith Mayer Seeks License

LOS ANGELES, March 14.—UP—Edith Annette Mayer, 24, daughter of Louis B. Mayer, film magnate, and William Goetz, 26, motion picture production manager, filed application today for a marriage license. They did not indicate when they would wed. The license can be issued in three days.

## 2021 ADULTS IN COUNTY NIGHT SCHOOLS

SACRAMENTO, Mar. 14.—(U.P.)—No longer are the public schools of California limited to the education of little Mary and Johnny. Today they expect to educate mother and father, Aunt Sarah and Uncle Ned.

Growing by leaps and bounds, adult education in this state has reached a point where the grown-ups attending evening schools outnumber the boys and girls enrolled in high schools.

Every county in California is showing the result of their increased interest in education by adults. In Contra Costa county, a total enrollment of 2021 is reported in its evening high school classes, including 1321 men and 600 women.

"The department of education under direction of its superintendent, is dedicated to education in terms of purpose, rather than in terms of age," explains Mrs. Ethel R. Allen, chief of the Division of Adult Education.

"This makes it entirely consistent for an evening school to find among its students groupings of every conceivable educational experience, from those lacking all formal education to the university graduate."

Every two years the state legislature is asked to enact laws making it possible further to expand this phase of education.

"In many instances adults are prepared and glad to pay for their education, and it is desirable that they should do so," continued Mrs. Allen. "In any case, adults should be willing to pay for their books. For this reason the school law was changed to make this possible."

"It is probable that still further legislation will have to be enacted until all adult schools become independent units of the school system."

"It has been observed that the ordinary school days which eliminate Saturday and Sunday are not applicable to adult classes, since Saturday is often one of the best days for adults to go to school."

"The present method of financing adult classes by use of high school funds may also need to be modified in the future."

## James McShane Funeral Held

Final rites for James McShane, former Richmond man and an employee of the Standard Oil company were conducted in San Francisco. Remains were interred in Holy Cross cemetery, San Francisco.

McShane, 46 years of age and a native of Ireland, has been living in Oakland, where he died Monday.

Final rites for James McShane, former Richmond man and an employee of the Standard Oil company were conducted in San Francisco. Remains were interred in Holy Cross cemetery, San Francisco.

McShane, 46 years of age and a native of Ireland, has been living in Oakland, where he died Monday.

## Mercado Infant Funeral Today

Funeral services for John Mercado, two year old son of Mr. and Mrs. Ynacio Mercado of Gertrude street, Richmond, will be held from the St. Paul's Catholic church at 9:30 this morning. The funeral will be directed by Wilson and Kratzer parlors, and interment will be in St. Joseph's cemetery.

## School nurse says all girls should know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping."

Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, and works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine.

## Famous Gasoline aids Aviators to set Records

Elinor Smith, pretty and petite 18-year-old aviatix, who, using Richfield-powered Wright-motored monoplane—a Bellanca—shattered the old altitude record for women by more than 6000 feet, rising to between 30,000 and 32,000 feet in a flight at Roosevelt Field, N. Y.

LOS ANGELES, March 12.—Official information that Richfield gasoline, famous for its victories of speed on land, water and in the air, now holds two new aerial altitude records—the world's record for commercial planes of 33,500 feet and the new record for women fliers of over 30,000 feet—has just been received here by officials of the Richfield Oil Company of California.

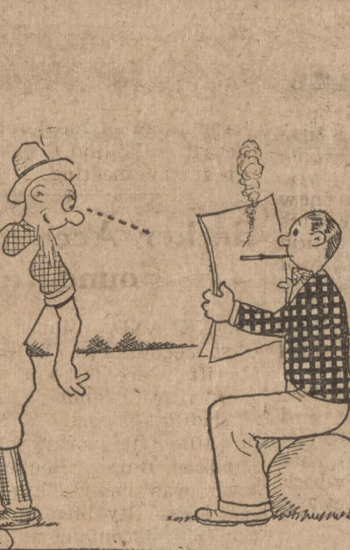

The more recent of the two records was the sensational flight to a "ceiling" estimated at between 30,000 and 32,000 feet by Miss Elinor Smith, during 18-year-old aviatix, in her Wright-motored Bellanca monoplane. With her ship powered by Richfield and Richfield Rocker Arm Grease, Miss Smith shattered the former woman's altitude record by more than 6000 feet, according to the report.

Miss Smith's accomplishment followed that of George Halderman, who on February 28 set a new and official mark of 33,500 feet with his Richfield-powered plane—a also a Wright-Bellanca—thus exceeding the old Martin Jensen altitude mark by nearly 8000 feet.

Following her sensational success, Miss Smith, in wires to Richfield officials, paid high tribute to their products as follows: "Richfield gasoline and Richfield motor oil functioned perfectly in my record-breaking altitude flight. I always use Richfield products because all tests have proved them to be the best, on the ground and in the air. No little share of my success is due to them."

## ACTION KEEPS SPECTATORS TENSE

For those who like brilliant and stirring drama, don't fail to see Columbia's "Acquitted" an all talking drama of the underworld with Lloyd Hughes, Margaret Livingston, Sam Hardy and an excellent supporting cast, which will be shown today only at the Fox-California theater.

Primarily a battle of wits, "Acquitted" is mainly dependent upon the dialogue for the denouement of the plot. Fortunately, this is where the production scores highest. It has seldom been my opportunity to listen to as sophisticated and to the point lines since the influx of talking films. Judging from the tenseness with which the audience followed every bit of dialogue and action it is safe to say that this film will go over. Also on this bill is a Mickey Mouse cartoon and a talking comedy.

## Rotarians Hear Talk On China

An interesting talk of China was given before the Richmond Rotary club yesterday by Rev. A. A. Pratt of the First Presbyterian church. Rev. Pratt is thoroughly familiar with this subject having spent a number of years in China doing missionary work.

P. M. Black was chairman of the day. There will be no meeting of the club next Friday as the entire group will go to Vallejo Friday night to join the Richmond Rotary club at dinner.

## J. R. Moscrop To Visit In Europe

J. R. Moscrop, superintendent of the Stauffer Chemical company is planning to leave San Francisco March 25, for a trip to Europe. He will make the trip via the Panama Canal to Hamburg, Germany, and will visit relatives in England. He plans to be gone about three months.

## REILLY DIES ON QUENTIN GALLOWS

SAN QUENTIN, March 14.—UP—A man who could not show bravado was hanged here today.

Alphonse Reilly, 22, of St. Louis, was executed on the prison's gallows for the murder of Abraham Sandelman during a shoe store "sis, goodbye and good luck. I go out smiling," the youth had written at the last minute to his sister, Miss Winnie Reilly.

Then he requested Warden J. B. Holohan to let him walk up the 12 steps of the gallows alone. The warden pondered over the final request and then said:

"I guess it would be better if the boys (guards) went up with you."

His decision was fortunate because at the foot of the steps Reilly turned pale, and clenched his teeth. Words, he tried to speak were only a jumble of unrecognizable sounds. The trap was sprung at 10:06 a. m., and he was pronounced dead 15 minutes later. About 50 persons witnessed the execution.

A last minute appeal to Gov. C. Young for a reprieve had failed. Friends of Reilly sought the additional time to make complete tests of Reilly's sanity and precipitated a political debate between District Attorney Byron Pitts of Los Angeles, candidate for governor, and Governor Young.

## Commencement Speakers Named

Patricia McAndrews and Nick Begovich will speak at the June commencement exercises of the Richmond Union High school. The two high school pupils were chosen out of a large field of contestants for the honor. English and history instructors acted as judges at the trials.

Meredith Morgan and Warren Brown were the student speakers at the Christmas commencement exercises at the high school. Morgan's topic was "Disarmament" while Brown spoke on "The Conservation of American Resources."

## Reckless Driver Fined \$200, Loses License 6 Months

John Santos of Lodi was fined \$200 and his driver's license suspended for six months, when he appeared before Police Judge C. A. Odell yesterday on a charge of reckless driving.

Santos, according to police reports, was arrested on San Pablo avenue after several near collisions with other cars. He was held in the city jail all night in lieu of \$500 bail, police reports show.

## PAINFUL CORNS

Loosen—Lift Out

A little known Japanese herb, the discovery of an eminent German scientist (Dr. Stickle) instantly soothes the corn, callous or wart, then loosens it so that shortly you can lift it right off. This new discovery called "Corn Fly" excites the white blood corpuscles to action and granulates the corn at its root so that it drops out and leaves no trace of scar or soreness.

You will also find "Corn Fly Foot Bath Powder" a boon for sore, tired or gnawing feet.

"Corn Fly" for corns, 35c, "Corn Fly Foot Bath Powder," 25c, and "Corn Fly Bunion Remedy," 50c, (all three—\$1.10 value—for \$1.00), are sold under a positive money-back guarantee by Hi-Gene Co., Newark, N. J., or local druggist.

**"If someone would only  
invent the Telephone!"**

Travel was a serious matter in by-gone days. How those who went away, and those who were left at home, longed for an invention that would transmit the human voice!

Now, travelers have high-speed, low-priced voice transmission.

100 million inter-city calls are made in a year over Pacific Coast telephone lines.

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

THIS PICTURE, snapped by a photographer who recognized a pretty scene when he saw it, shows magnolias in bloom at Lugano, an enchanting resort in southern Switzerland.

## County Realtor Board Hears Talk On Taxes

Members of the Contra Costa County Board of Realtors gathered recently at Walnut Creek to discuss the subject of taxes, which appears to be an absorbing topic of conversation throughout the county at the present time.

In introducing the guest speaker of the evening, J. D. Keith, chairman of the educational section of Contra Costa division of the California Taxpayers' association, President D. D. Watson of the realty board declared the rising tide of taxes throughout county and state was of vital concern to every realtor and every property owner. Watson told the members present that the state board of realtors is actively engaged in plans toward correction of the burdensome tax situation. He called upon the county board to seriously consider a similar attitude.

Keith, in addressing the gathering, stressed the need of every realtor of the county actively supporting the efforts and activities of the county tax association.

"The task ahead is a big one," declared Keith. "In the effort to effect the results we all want in our tax problems, we will need the united support of every taxpayer of the county, and every one of our county officials," said Keith.

Keith indicated an intensive survey is now under way by the officials of the tax association, from which will come a program of accomplishment.

Following Keith's talk, the realtors present asked many questions. Then a resolution of endorsement of the taxpayers' association was introduced and formally adopted.

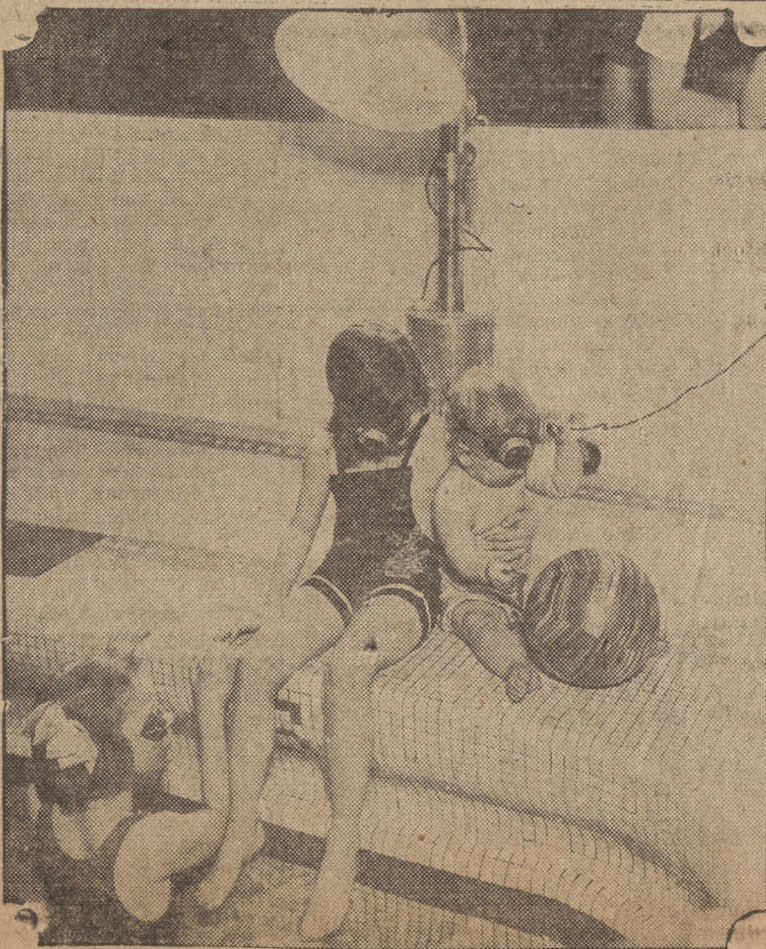

Upon adjournment of the meeting which was largely attended, it was decided that the next meeting of the county realtors will be held in Antioch.

A number of local realtors made the trip to Walnut Creek to be present at the meeting.

## Becker Accounts Found In Order

OAKLAND, March 14.—UP—Cash accounts of the office of the sheriff were all in good order, John Hurst, deputy Alameda county auditor, reported today to Grant D. Miller, temporary sheriff who replaced Burton Becker when the latter was ousted Thursday following his guilty plea on an accusation of misconduct in office.

## Gimme Dry Land

THIS YOUNGSTER refuses to be tempted by Joan Caron and Shirley Springer to take a dip in the tank.

## OFFICER SHOT IN S.F. BANK ROBBERY

(Continued from Page 1)

off and ran toward the entrance of the bank. Before he could fire the bandits ran out. One of them shot three times at the officer, the other twice, one of the bullets pierced his chest and missed his heart by a narrow margin.

After he had fallen, Egan managed to draw his revolver and fire three times but none of the bullets hit their mark, apparently.

The men had taken \$3719 in a satchel, bank officials said. They had disguised themselves with dark glasses and a handkerchief.

**Driver Pursues**

One motorist pursued them but the robbers traveled two blocks for every one that he could travel safely.

The bank was at Divisadero and Hayes streets.

The robbers sped several blocks from Divisadero to Turk, then went about 10 blocks toward the business district and veered over to O'Farrell. The abandoned machine was found at Van Ness and O'Farrell.

**Quinn In Charge**

Detectives believed the men had either taken a street car at that intersection or entered one of a number of rooming houses in the district.

Police Chief Quinn took personal charge and ordered every officer of the city to be equipped with riot guns in an effort to apprehend the men.

Employees in the bank were Miss Evelyn M. Peterson, stenographer and teller, R. W. McConnell and Ernest Eichenkeller, tellers, and Herman Romer, bookkeeper.

## Wife Of Song Writer Asks Divorce Decree

LOS ANGELES, Mar. 14.—(UP)—Nacio Herb Brown, writer of such song hits as "Singing in the Rain" and "The Doll Dance" was sued for separate maintenance here today by his wife, Ruby Porter Brown.

The composer's wife also asked that he reconvey to her property valued at \$50,000, which she claimed to have inherited from her father's estate. Mrs. Brown said her husband had an income of \$50,000 and asked \$2500 a month for support of herself and their son, Junior.

Mrs. Brown's complaint said that the composer for years had made a practice of staying out until early morning hours and at one time became so infatuated with Doris Eaton, prominent actress, that he followed her to New York and later went to Reno with the intention of obtaining a divorce.

## Former Governor Of Pennsylvania Called By Death

HUNTINGDON, Pa., Mar. 14.—(UP)—Martin H. Brumbaugh, wartime governor of Pennsylvania, died at Pinehurst, N. C., today.

Brumbaugh, one of Pennsylvania's most distinguished sons, jumped to political fame almost overnight when he was nominated for governor on the Republican ticket after serving for many years as superintendent of schools of Philadelphia.

One year after he became governor, Brumbaugh was one of the candidates for the Republican nomination as president at the Chicago convention in 1916. A split, due to a factional fight, caused Brumbaugh to lose a part of the Pennsylvania vote and his candidacy never advanced.

Word of Brumbaugh's death was received by officials of Juniata College, of which he has been the president since he retired from the governorship.

## Lindy Forced To Land By Calm

CARMEL, March 14.—UP—Again less than two miles from the hill on which he started, Charles A. Lindbergh was forced to land his glider because of poor winds near here today.

Lindbergh dropped down at almost the same place his glider light on Thursday ended.

## COUNTY TRACT DEVELOPMENT PLANNED

MARTINEZ, March 14.—The early development of the former Hooper company lands, comprising some 1000 acres between Bay Point and Avon, was seen today when it was announced that the board of supervisors will be asked Monday for permission to build a spur track of the Southern Pacific line across the highway to the property.

Joseph Zook, head of Zook and Associates of San Francisco, owners of the property which they purchased from the Hooper company, was in Martinez today in pursuing plans for the development of the properties.

While admitting that definite plans are being discussed for development of the land, Zook stated that it will be several weeks before a definite announcement is made.

While here, Zook conferred with county officials as to the necessary procedure preparatory to asking the supervisors' permission to build a spur track into the area lying between the highway and southerly shore of Suisun bay near Point Edith, where work is also to be started in a few weeks on dredging the deep water channel which is a part of the Stockton harbor project.

## Announcement

The entire shop equipment of Charles M. Courtright has been purchased by A. L. Kilneman formerly of Chrysler Auto Sales. Sales. Drop in and let Al look your car over. SATISFACTION GUARANTEED. Prices right. 1706 Macdonald Ave. 3 4 6t.

## Incites Riot, Flees Mob

WILLIAM Z. FOSTER, international anarchist agitator, who with four of his associates was forced to flee the wrath of a mob they had incited in New York city.

## Ship To Dock At Inner Harbor Today

The steamer Nabesna of the McCormick line will dock at the inner harbor this morning to load a general cargo for Pacific Northwest points.

The motorship Carrioso of Flood Brothers is loading oil at the outer harbor. The cargo is consigned to the South Sea islands.

## Californiad Debate To Be Held Today

Woodrow Snodgrass, Edwin Poole, and Harman Jatta will represent the Richmond Y. M. C. A. today in the Californiad oratory and debating competition at the Berkeley Y. M. C. A.

Snodgrass will speak on the subject of "World Brotherhood," while Jatta and Poole will compose the local debating team. They will discuss the subject: "Resolved That Military Training in the High Schools Should be Abolished." The debaters have been required to form arguments for both sides of the question, as they will draw by lot at Berkeley for the argument they will support.

In both the oratory and debating contests, Richmond will be competing with members of the Oakland and Berkeley Y. M. C. A. organizations.

All three local representatives in today's contests were chosen out of a field of contenders for the honor. The boys are members of the Richmond Boys' Hi-Y.

## State Answers Murder Appeal

LOS ANGELES, Mar. 14.—(UP)—The state today filed an answer to the appeal of Dr. Frank B. Westlake, convicted of the "torso murder" of Mrs. Laura B. Sutton, a wealthy widow.

The answer contended that evidence had conclusively linked Dr. Westlake with Mrs. Sutton's slaying. The retired Illinois doctor was accused of having killed his sweetheart that he might acquire her money. Her torso and later other parts of her body were recovered from the flooded Los Angeles river. Dr. Westlake was sentenced to life imprisonment.

## S. A. TO HOLD WEEK OF PRAYER

The week of March 30, to April 6, has been set aside as the annual week of prayer and self denial by the Salvation Army.

Commissioner Adam Gifford, the leader of the Army in the west, has asked every Army center, corps and outpost in the 11 Pacific coast states and Hawaii, comprising the western territory, to cooperate with the Army throughout the world in observing the event with special programs as a part of the great Golden Jubilee Crusade, the celebration of the fiftieth anniversary of the advent of the Army in America.

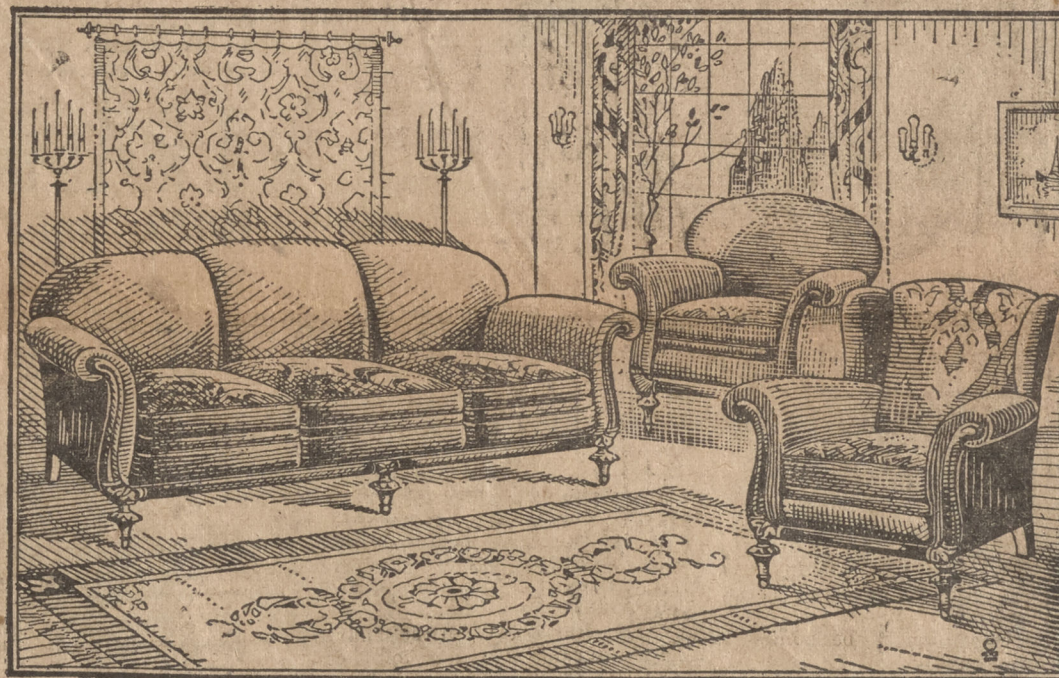

This important pre-Easter period of the Salvation Army is a time for prayer and self denial and for raising funds among its own people and the friends of the organization to maintain Army workers in heathen lands.

During this week every officer and soldier of the Army rigidly denies himself of the necessities of life, using the money thus gained for the support of the less favored comrades in dark countries.

The self-denial fund, inaugurated as an Army institution 43 years ago, has enabled the Salvation Army to extend and maintain its service into a truly world-wide organization established in more than 82 countries and colonies, speaking 59 languages, with 15,183 corps and outposts operated under the direction of 25,427 active officers and cadets. Many of these lands which began on self-denial money, are now self-supporting—the ultimate aim of the Army for all lands.

## TITLE CONTEST FOR MOTORS TOMORROW

The title of the Oakland Winter baseball league will be at stake when the Thomas Motors tangle with the Oakland Eagles in the finals of the second round tomorrow at 2 o'clock on the First street diamond.

Should they be successful in tomorrow's contest the Motors will be champions of the Oakland Winter league for the season of 1930. Should the locals lose tomorrow, they will have to meet the Eagles in a three game playoff for the league title. The Thomas squad carried the first round of the league by defeating the P. S. E. A's. All that now stands between them and the title of the entire league is the formidable Eagle aggregation.

Both teams playing in tomorrow's final have been seriously weakened by the loss of a large number of players who are now trying for positions on Coast league teams. However, the managers of the two squads have been scouting around in search of material, and have been amply rewarded for their quest. The stellar athletes of other Oakland Winter league teams already out of league competition have come to the rescue of the two leading squads.

Richmond will have a strong battery tomorrow with Doyle Taylor starting on the mound and Gualdoni of the San Pablo nine behind the plate. Compana, regular Thomas hurler, and Viera of the Oakland P. S. E. A's will be ready to step into the box in case Taylor weakens. Taylor has recently returned from the Missions training camp.

Other additions to the lineup of the Thomas squad are: Ray Viani of the Halleluacs of the Alameda City league, short stop; "Curly" Gardner of San Leandro, third; Al White of Clarence Saunders in Alameda City league, second.

The outfield is the only section of the Thomas' Motor aggregation that has not been affected by the Coast league. Figueroa, Malho, Smaker, and M. Laetich will still be with the locals in the outfield tomorrow.

The manager of the Eagles has also been doing some fast scouting during the past week. "Fireman" Jones, formerly with the Johnson Clothiers in the Alameda City league, will do the hurling for the Eagles tomorrow. Other additions to the lineup of the Eagles are: Frank Fernandez of the P. S. E. A. squad, third base; Fred Warren, P. S. E. A. catcher, and Norman Peterson of San Leandro, second base.

## BOY'S HI-Y PLANS HIKE

Plans are being formed by members of the Boys' Hi-Y for a hike to Stinson beach on the Marin coast during the Easter vacation. Last year's Hi-Y hike to Stinson beach aroused much enthusiasm among the boys who made the trip, and, as the Easter vacation again draws near, popular demand has required that the trip be repeated this year.

On last year's hike, the boys enjoyed swimming in the Pacific ocean. Almost a dozen members of the party returned over the crest of Mount Tamalpais. More than 30 boys made the trip.

Arrangements for this year's hike are being made under the direction of Schuyler Albert.

## Angels Halted By Downpour

LOS ANGELES, Mar. 14.—(U.P.)—Rain prevented work in the Los Angeles baseball training camp today. At present it appears that the Angel outfield will consist of Johnny Moore, left; Arnold Stutz, center; and George Harper, right. Wes Schumacher will be in the utility role. The Chicago Cubs will be played tomorrow.

## IN A NEW ART!

"I CAN'T ENTIRELY BLAME THE BOYS FOR THEIR WEAKNESS... THE WOMEN GO WILD OVER THEM!"

## ALL STAR FOUR MARKS FALL AT A.A.U. SWIM

SAN MATEO, March 14.—UP—The Argentine polo team defeated the Californians, an all-star aggregation, 6 to 3, here today.

Stormy weather kept the score low but failed to keep away a large crowd of spectators, who were attracted mainly by the lauded ability of the Argentine players and mounts.

A driving rain in the first half of the game seemed to hamper the Californians more than the visitors. The Argentines showed their best, however, in the eighth and final chukker after the downpour had stopped.

The first chukker was scoreless. In the second chukker the visitors opened up and scores were made by Jose Reynal and Juan Reynal. Their team-mate scored once in the next chukker. There was no more scoring until the rain let up in the fifth chukker, when the star for the Americans, Elmer Boeseke, broke through and sent the ball inside the goal posts. He made the score 3 to 2 with another counter in the sixth. The seventh was featured by Juan Reynal's perfect shot for a point. Harrington and Manuel Andradra scored with hard shots in the eighth chukker, bringing their total to six, and Boeseke climaxed his brilliant play with his third goal.

Experts who watched the game declared the Californians furnished the strongest opposition for the Argentines in this country and a spectacular contest is expected between the two teams here Sunday providing the weather clears.

## Dempsey Will Start Training

LOS ANGELES, March 14.—UP—A report that Jack Dempsey will begin training at Ensenada, Lower California, Mexico, late in May for a bout in Chicago was prevalent in sporting circles here tonight.

A close friend of Dempsey's said that the former heavyweight champion had decided to return to the ring in his own club at Chicago this fall.

Dempsey is said to be financially interested in a new resort being constructed at Ensenada. Gene Noville, a former manager of Dempsey also is interested. It was believed that if Dempsey does train at Ensenada, it would be to publicize the club, scheduled to open late in May.

## Sulich Held Good Prospect For Seals

MONTEREY, Mar. 14.—(U.P.)—Among the best prospects at the San Francisco training camp here is Ernie Sulich, former St. Ignace College player, who is hitting the ball hard. The regulars go to Paso Robles this week-end to oppose Pittsburgh.

## Cubs Will Play Hollywood Nine

SAN DIEGO, Mar. 14.—(U.P.)—The Chicago Cub second team will play the Hollywood team here Saturday and Sunday. The Cubs will have three players borrowed from Los Angeles—infielders Wayne and Steyart and pitcher Osborne.

"I FLY TO HAWAII NOW AND THEN TO BRING BACK A PROMISING YOUNGSTER BEFORE THEY BOOST HIS SALARY OVER THERE..."

"THE BITTEREST DISGRACE TO THEM IS TO BE SENT HOME!"

LOU MAGNOLIA, FAMOUS REFEREE, ATHLETE, COACH, ETC. NOW MAKING A STRIKING SUCCESS WITH JAWALAI AT MIAMI.

"A NIGHT OUT DOESN'T RELIEVE A MAN FROM PRACTICE AT NINE EVERY MORNING!"

## S.O. RIFLE CLUB WILL MEET ALBANY

Enthusiasm is running rampant over the rifle shoot between the Albany and Standard Oil rifle clubs to be held at the Standard Oil range tomorrow. The first gun is scheduled to pop off at nine o'clock, and a bombardment will probably be heard until late in the afternoon.

The shoot tomorrow is the first of a series to be held between now and the latter part of July between the six clubs in the league. The other teams in the league are the Vallejo, East Contra Costa, San Francisco Telephone and the Pacific Tariff and Telephone. Albany club has been noted for its activities in the bay region, and will be headed tomorrow by M. G. Ljutic, executive officer. Standard Oil club will be headed by Fred Downing.

The second record tumbled before the speedy strokes of Josephine McKim, Los Angeles, who swam the 300-yard freestyle against time in three minutes and 49 seconds. The former world's record was three minutes, 58 4-10 seconds, made by Gertrude Ederle.

In a fast sprint the length of the pool, Eleanor Holm, women's swimming association, New York, set a new mark for the 50-meter backstroke event over a long course. Her time was 37 4-10 seconds. The old record held by Sybil Bauer was 39 seconds.

A running full-twist, perfectly executed, was Jane Fauntz' margin of victory in the low-board diving championship. Georgia Copeman, Los Angeles Athletic club, present high-board, fancy and platform diving champion, was a close second and Velyn Kennedy, Chicago, placed third. The diving was performed under exceedingly difficult circumstances in a drizzling rain and a gusty wind and the averages were declared by officials to be low.

## Dix Takes Nod Over Murdock

SAN FRANCISCO, March 14.—UP—Allowing his opponent only two rounds the sixth and the eighth, Madison Dix, Bellingham Wash. junior welterweight took a ten round decision over Eddie Murdock of Oklahoma here tonight.

Jack Lewis knocked out Hall Regalia, one; "Irish" Del Kennedy knocked out Elmer Mason, three; Hall Negri knocked out Billy West, one; Buddy Gorman defeated Lem Sammons, four; and Joe Conde defeated Ernie Dell, four.

## Man Who Gave Battler Present Given Sentence

LOS ANGELES, March 14.—UP—J. J. White admitted the fighting ability of Ace Hudkins, so he wanted to give him a suitcase as a present when he left the city.

White helped himself in a downtown store, was arrested, convicted and asked for probation. Superior Judge Fricke denied the request and sentenced White to serve from one to ten years in San Quentin prison for grand theft.

## Cubs Prepare To Leave For Game

AVAILON, March 14.—UP—Three was no activity in the Chicago Cubs training camp today excepting preparation for sailing to the mainland. The Cubs will split for the week-end, one team playing in Los Angeles and the other going to San Diego to meet Hollywood. Games Saturday and Sunday are scheduled for each.

## By Burris Jenkins Jr.

"PLEASE MESSAGE MAGNOLIA 2 BOTTLES FOR ME! I BRING GALLONS OF THAT SHELLEY HAIR-TONIC BACK WITH ME EACH TRIP!"

## Many Sports For Girls Of Local High This Spring

Archery, tennis, soccer and baseball will be included on the program for girls' athletics at Richmond Union high school during the spring semester.

Archery is a comparatively new sport at the local high school, yet it has been taken up with exceptional enthusiasm by the high school girls athletes. Tennis is also a new sport for the girls at Richmond Union high school.

Competition in archery, tennis, soccer, and baseball will be held between the girls of each class until the end of the present term.

The girls have been participating in volleyball and basketball during the winter season. Clara McLaurin and Mildred Cuthbertson are girls' physical education instructors at Richmond Union high school.

## Twilight League Managers To Map Final Plans Monday

The directors of the Richmond city twilight baseball league will meet Monday afternoon to make final plans for this year's league. The meeting will be held at the home of John A. Miller at Teuth street and Nevins avenue.

The league at present contains six teams. The league members are: Native Sons, Mechanics Bank, Standard Oil, Odd Fellows, Richmond Firemen and the Lions club. A new ruling permitting team managers to use "imported" pitchers will be considered at Monday's meeting of the league directors.

It has been announced by the Odd Fellows nine that they will play independent Sunday baseball during the coming season.

## Rain Delays Net Contest

PASADENA, March 14.—UP—Heavy rains today caused postponement of the first day's play in the annual Hotel Huntington invitational tennis tournament today.

The tournament will be played Saturday and Sunday weather permitting. Among the entrants is Mrs. Helen Willis Moody, playing her first important matches of the year.

## Chastain Loses To Rene DeVos

CHICAGO, March 14.—UP—Midweight title hopes of Clyde Chastain, gallant Dallas youth, went glimmering tonight when he was completely outclassed by Rene DeVos of Belgium in ten rounds. The veteran De Vos demonstrated he deserved the eight to five odds in the betting. He weighed 159 pounds while Chastain tipped the beam at 157 1-2.

## RAIN DELAYS HIGH SCHOOL CONTESTS

Athletes at Richmond Union high school received a great disappointment yesterday when rain postponed two baseball contests and a track meet in which Richmond high was scheduled to participate.

The local high school varsity nine was prevented from clashing with the San Leandro high school team at San Leandro, while the Richmond B baseball team had intended to meet the Crockett high school squad on the local diamond. The Richmond Union high school track team was also scheduled in a three cornered meet with University and Berkeley high schools at Bushrod park.

The Richmond high school varsity nine will commence its Alameda County Athletic league schedule Tuesday, when it will meet the Centerville high school athletes on the Centerville diamond. Richmond high school's track team will commence its season Apr. 5, when it will compete in the Mission relay carnival at San Francisco. Richmond carried off several places in last year's relay meet at the Mission high school. The distances in this annual relay meet are all the way from a half mile to four miles.

## SOCCER GAME WILL BE REPEATED

Last Sunday's Richmond-Turnverein soccer cup tie contest must be repeated tomorrow. It was announced yesterday by local East-bay Junior Soccer league authorities.

The reason for the repetition is that the Turnvereins claim that a member of the Richmond team that played last Sunday was ineligible for membership on the team.

Everything seems to point to a soccer classic on the Nicholl field tomorrow. Richmond barely succeeded in defeating the Turnvereins by a 2 to 1 score last Sunday. The locals are therefore preparing to receive plenty of strong opposition when the Turnvereins return to Richmond tomorrow. Great significance is attached to tomorrow's game, as the loser will be out of league competition for the remainder of the season.

Members of the local soccer club gathered last night to lay plans for their tactics in tomorrow's important clash with the Turnvereins.

## 3 Local Ball Stars Farmed

Local baseball circles have lost three of their stellar members in the form of John Labetich, "Babe" Silva, and Tony Krasovich.

Labetich and Silva recently left for Topeka, Kansas, to play with the Kansas of the western league. Silva was a member of the San Pablo nine during the past season, while Labetich saw action with the Thomas Motors.

Krasovich second baseman for the Motors, also left for the eastern states. He will play with the Reading nine of Reading, Pennsylvania.

## Showers Spoil Beaver Training

SAN JOSE, Mar. 14.—(U.P.)—Showers spoiled the training of the Portland Beavers here today. They were hoping for fair weather for their exhibition game with the San Jose All-stars here Saturday.

## Oaks Ready For Exhibition Games

FRESNO, Mar. 14.—(U.P.)—The Oakland baseball club was ready tonight to entertain Sacramento's Senators for exhibition games here Saturday and Sunday.

## 3 ACQUITTED IN BET TEST

REDWOOD CITY, March 14.—UP—The question whether or not horse racing with betting privileges will ever be legalized in California was still unsettled here tonight. Three defendants in a test case, arrested for betting, were acquitted by Judge Maurice Dooling here today, on the grounds of lack of evidence. Both opponents and proponents of betting claimed a victory.

The three men, Jack Dennis, Mel Cohen and John Zaro, were arrested after a race at Tanforan, where they bet or rather, purchased options to buy the winning horse. Then the owner "paid off" by reclaiming the options for a small sum.

It was hoped that the judge would make a precedential ruling that would definitely settle the legality of the "option system" of betting in California.

# The GREEN GODDESS

by LOUISE JORDAN MILN

Copyright, 1922, by Frederick A. Stokes Company

"The Green Goddess," starring George Arliss, is a Warner Bros. Vitaphone picturization of this novel.

**SYNOPSIS**  
Dr. Traherne, his friend Major Crespin and the latter's estranged wife, Lucilla (whom Traherne loves), find themselves prisoners in the palace of the Raja of Rukh, following a forced airplane landing in the Himalayas. Three of the Raja's half brothers are to be executed in India for murder and the Raja tells his prisoners they are to be sacrificed to the green goddess if his brothers are hung. The sacrifice is set for the following day when the Raja learns by wireless that that is the day his brothers are to be executed. He offers to spare Lucilla if she will enter his household.

**CHAPTER XXVI—Continued**  
Degrading, immoral, what you will, it had its points, the plan he unfolded. And the Raja of Rukh told it well. "And meanwhile," he pressed it on, "you are only on the threshold of the best years of your life. You would pass them, not as a memsahib in a paltry Indian cantonment, but as the absolute queen of an absolute king. I do not talk to you of romantic love. I respect you too much to think you accessible to silly sentiment. But that is just it; I respect as much as I admire you; and I have never pretended to respect any other woman. Therefore I say you should be my first and only queen. Your son, if you gave me one, should be the prince of princes, my other sons should all bow down to him and serve him. For, though I hate the arrogance of Europe, I believe that

"The lady has come to terms. She will enter His Highness's household." Quite so, sir," the man said. "What suite will she occupy?" "My innocent Watkins! Do you think it's true? What have I to do with an unapproachable English woman? It's only a bait for the ferocious. You shall send it out in their hearing, and if either of them can read the Morse code, the devil's in it if he doesn't give himself away."

"Beg pardon, sir," Watkins grinned appreciatively. "I didn't quite catch on."

"If they move an eyelash I'll take care they never see the inside of this room again," Rukh asserted. "Am I

(Continued From Page 1)

to break down Premier Mussolini's doctrine of Franco-Italian parity.

In vain, the French foreign minister, backed by the pressure of the British and American delegates, sought to get the Italians to submit definite figures of their naval tonnage requirements. If these were low enough, France might reduce her own demands and a five-power limitation agreement might yet emerge from the storm which here.

### Experts Named

But Mussolini's spokesman, foreign minister Dino Grandi, refused and reiterated his monotonously repeated stand that Italy reserves the right to build to parity with France.

Grandi said that Italy needed a large fleet because she was virtually isolated in the Mediterranean, was almost an island, had large political responsibilities toward Italians abroad and was dependent on imported raw materials.

The British spokesman announced the creation of a new conference committee composed chiefly of experts, who will decide what changes, if any, may be required in the Washington Treaty rules for scrapping of ships when the scrapping has to be applied to certain kinds of vessels not covered in that treaty.

### FRENCH BLAME ITALY FOR DEADLOCK

PARIS, Mar. 14.—(U.P.)—Italy was blamed by Paris afternoon newspapers today for the deadlock reached at the London naval conference.

The semi-official Temps, while stating the conference might still accomplish some good, demanded that Italy be forced to produce definite figures of her naval requirements.

The newspaper Le Soir said, "The men who rule the affairs of Italy talk and act as though they were on the eve of war; nothing could be graver than such a mentality which may lead Europe into another conflict."

## Work Starts On Mission Tile Plant

Work has been started on a plant for the Old Mission Tile company, which will occupy a site near Wilton Road, close to the San Pablo auto camp. It will cover an area of an acre and a quarter of land, utilizing clay found on the property for the manufacture of tile.

It is said the company will employ between 20 and 25 men, and will be managed and supervised by F. A. Mero of the Master Craft Tile company of Richmond. It is composed of Richmond and Contra Costa county men.

According to an announcement from Mero, the new plant is expected to be in operation in six weeks or two months.

The new plant makes the second of the company in San Pablo, the first being operated on the San Pablo creek road on the old Mc Mahen ranch.

## Suspect Taken In Pawn Shop

SAN FRANCISCO, Mar. 14.—(U.P.)—Detectives today entered a pawn shop and arrested Nels Johnson, paroled burglar and former Los Angeles detective, as he was about to dispose of some stolen goods.

Johnson, police say, confessed two recent jewelry store robberies.

He was a member of the Los Angeles police department for several years before adopting the profession of burglary, for which he served a term in San Quentin, but was paroled in 1927.

## MARRIAGE LICENSE

Ernest H. Howard, 36, of Oakland and Bertha M. Voss of Richmond applied for a marriage license in Oakland recently. Mrs. Voss is the daughter of Mrs. Mary Pearson, 314 Barrett avenue.

Notice of intention to wed was filed in Oakland yesterday by Garnet S. Merryfield, 24, of Oakland, and Elvyn Rabb, 19, 1420 Pennsylvania avenue, Richmond.

Louis G. Bradley, 26, of Oakland and Thelma Z. Derfelt, 27, of Richmond were issued a marriage license in Oakland yesterday.

## PROBLEMS OF EASTBAY HARBOR TOLD AT MEET

Cooperation and unity of action in the development of the eastbay harbor from Oakland to Richmond was advocated at the meeting of the Regional Plan association at the School Administration Building in Oakland recently, the program of which was largely devoted to discussion of the harbor problems.

Fred E. Reed, president of the association, presented P. M. Sanford, head of the Richmond Chamber of Commerce and chairman of the association's harbor committee, as chairman of the evening, and Sanford introduced Ralph T. Fischer, head of the Oakland Port Commission as the speaker of the evening.

"Our problems are similar and our cities lie in a continuous line along the east shore of the bay," said Sanford. "The world cannot show another harbor with such great possibilities and development, and it has long been my thought that we will see America's greatest concentration of industrial enterprises and one of the world's greatest centers of population. We should be cooperators rather than competitors. Richmond approaches its problems of harbor and community development in this spirit."

Fischer declared that he echoed Sanford's opinion and that he would go so far as to advocate not merely community cooperation but political unity as well so that all water front development might be on a scientific coordination basis.

"Naturally this is something for the future," said Fischer. "Whether it be under a Borough plan of government or with some other system, the fact remains that such a unity of all eastbay communities would work for the benefit of all."

Fischer outlined the successful work which has been done with Oakland's harbor since the Port commission was organized. He said that there was no definite business-like plan for the harbor until it was placed under the control of the special organization.

As soon as the charter amendment brought this about, a board of expert engineers was employed which laid out a detailed plan toward which the community might work for many years to come.

**Money Spent**  
Fischer said that of the \$10,000,000 harbor bonds passed by the people in 1924, about two and a half million dollars had been spent on the outer harbor approximately \$1,250 at Grove street and \$1,000,000 in the Brooklyn basin and \$750,000 in the air port, making something like \$7,000,000 of the

bond money so far expended. "There are many things yet to be done," said Fischer. "We believe Oakland should have a cold storage plant, a concentrated warehouse, wider and deeper channels and other improvements which would call largely for the expenditure of approximately \$7,000,000 in the next five years."

He said that since 1926 the tonnage handled at the outer harbor has increased from 476,000 tons to 1,112,000 tons; at Grove street from 2,000,000 tons to 3,000,000 tons and the income to the city from the property operated by the commission has been in keeping with the advancing tonnage figures. He said that leases on the water front are being made for shorter periods of time; for larger rentals and on a more business-like basis than was in the case in past years. He pointed out that Rosenberg Packing company will pay \$35,000 a year besides guaranteeing at least 50,000 tons of cargo and that Leiby, McNeil and company will pay \$40,000 a year and will also develop a tremendous tonnage of canned goods.

In place of the old leases of 25 and 50 years," said Fischer, "we are making leases for 10 years periods with the object of reaching the rental figures frequently as is done in all private business."

**Report Made**  
Sanford reported that Richmond has made great progress in the last 3 years particularly in the development of its inner harbor where the Parr-Richmond terminal has been built, the Ellice and Perrelli cannery is under construction and the Ford Motor company is expected to construct a \$5,000,000 assembling plant this year.

He said Richmond's tonnage has increased enormously and that the city expects to develop still larger cargo from the bay shore manufacturing area and the great agricultural region of the delta, both of which lie at Richmond's back door.

Ben H. Allen, of the Salt Water Barrier association, urged the support of the regional plan group for the construction of a barrier in Carquinez straits to create a supply of fresh water for manufacturing purposes and to prevent the further influx of salt water into the delta agricultural area. He held that conservation of northern California's water, much of which now wastes into the ocean is the most vital problem now confronting the public and the population limit in California must soon be reached unless this problem is solved. The harbor development program of Martinez and the part which it plays in the general Eastbay scheme was set forth by C. A. Ricks of that city.

## DeMolay To Visit Christian Church

Richmond De Molays will be the guests of the First Christian church tomorrow night at their annual observation of church week. Rev. Primus Bennett has chosen as his subject for the occasion: "True Greatness."

## HIGH CLASS VISITS U. C.

The wonders of television were exhibited before the physics classes of Richmond union high school yesterday at the annual Engineers' day at the University of California.

Exhibitions in mine rescuing were performed by students of mining at the university for the benefit of the visitors from the eastbay schools. The high schools also witnessed an exhibition of tunnel drilling by university students.

Visits were paid by the local pupils to the vocational departments of the University of California, where exhibitions in forge and lathe working were given.

The Richmond union high school physics pupils made the trip to Berkeley under the direction of George Key and Charles Waugh, physics instructors at the local high school.

## Girl Reserves Planning Rites

A hike to Mill Valley will be held by the members of the Richmond Union high school Girl Reserves May 23.

Each girl will be allowed to take a non-member of the club on the hike. More than 30 girls are planning to make the trip.

The Girl Reserves will be accompanied by Clara McLaurin of the Richmond Union high school faculty.

## Girls' Visit To Quentin Delayed

The trip to San Quentin prison scheduled by the Richmond Union high school Girls' Physiology club for today has been postponed indefinitely.

The girls are planning to hold a welfare roast and swimming party March 27, at the Red Gun club. The faculty advisers of the Physiology club are Mrs. Aileen Bronson and Marion Poage.

## State Leading In February Life Insurance

George P. Upham, district manager at Richmond for the State Life Insurance company of Indiana, has received word from the company's home office that California led the State Life's entire field force for February business.

Upham reports that February made the ninth month out of the past fourteen that California has won U. S. leadership over all the company's agencies. He also states that California furnished the February U. S. leader for personal production and the leaders for the State Life's Class A, Class B, and Class C producers.

California, which is under the management of Arthur J. Hill, ranks as the State Life's outstanding agency organization. Its February production exceeded February of 1929 by more than 50 per cent. March is being observed by State Life representatives in all the state as Sweeney month, in honor of Robert E. Sweeney of Indianapolis, vice-president and agency manager. The Richmond district agency is taking an active part in the month's activities.

## Inspection Of Masons Tomorrow

Annual inspection of the 30th Masonic lodge district will be held in Richmond Masonic hall tomorrow morning at 9:30 by Thomas Baker, grand lodge inspector. The district comprises Richmond, Pinole and Crockett.

All officers and coaches are expected to be present, and all master Masons are invited to attend. Lunch will be served by a committee made up from the various lodges.

## 1 SLAIN, 4 HURT BY BANK BANDITS

(Continued From Page 1)

drove out on the Kansas-Colorado highway to meet them.

The bandits were encountered two miles from town and the battle began.

**Officer Disarmed**  
Hickman fell with bullet holes through the head and chest, dying instantly. The bandits demanded that Mosher surrender.

They disarmed him and told him to "beat it for his life."

Mosher started to run down the highway but was dropped by a shot that struck him in the leg. A passing motorist picked Mosher up and took the body of Hickman to Eads.

Word of the encounter was telephoned to Cheyenne Wells where Hollingshead and Sheriff Coe organized a posse and went to the outskirts of town to await the outlaws.

The bandits drove past the ambushed officers at a speed of 60 miles an hour, firing on the posse and wounding Coe and Hollingshead.

Coe was shot in the hip and through the abdomen. His condition is serious. Hollingshead received a minor wound.

Near Cheyenne Wells, the bandits halted S. H. Hadley, a real estate man, forced him from his car, and drove on in the stolen machine, leaving their own abandoned at the roadside.

The alarm was spread throughout eastern Colorado and western Kansas, and officers in every city and town were organizing posses to challenge the bandits in their mad flight.
